this caribbean billfish management and conservation plan was created to reverse the trend of declining stocks of billfish species within the western central atlantic ocean and its adjacent seas and address unsustainable fishing practices its objective is to outline and guide the implementation of a suite of billfish management measures over a five year period at regional and sub regional scales to help secure the potential future benefits that can accrue from billfish stocks in the caribbean the overarching goal is to improve the management and conservation of billfish stocks among other objectives the plan seeks to improve billfish catch data collection and reporting reduce bycatch discards and overall fishing mortality improve regional governance and coordination and enhance the sustainable socio economic performance of fisheries capturing billfishes in the area the members of the western central atlantic fishery commission wecafc caribbean regional fisheries mechanism crfm central america organization for fishery and aquaculture ospesca and the caribbean fisheries management council cfmc developed this plan together during the period 2015 2018 through the recreational fisheries working group and in close collaboration with all key stakeholders in the consortium on billfish management and conservation cbmc the plan recognizes the mandate of the international commission for the conservation of atlantic tunas iccat over billfish stocks and supports the implementation of the iccat recommendations in the region

the first of its kind this dictionary defines more than 25 000 marine natural products it indexes each by chemical name organism type and compound type following a similar format to the chapman hall chemical database each entry includes biological source chemical structure physical properties biological activity and literature references with an accompanying cd this invaluable tool offers immediate access to information essential to the development of novel pharmaceuticals pesticides and marine anti fouling agents derived from unique molecular structures of marine natural products

reviled as a fascist and zealot by libertarians and liberals but praised as a great patriot and devout man of god by many conservatives john ashcroft may have been the most powerful and polarizing attorney general in our nation s history looking past such oversimplified stereotypes nancy baker offers the first in depth study of ashcroft s controversial tenure as attorney general and as domestic commander in our campaign against global terrorism addressing new concerns about challenges to civil liberties in the wake of 9 11 baker provides a critical assessment of ashcroft s impact on national life within the context of an enormous expansion of presidential power baker depicts a man who even before 9 11 was in search of a mission and then found it in the war on terror she explores how ashcroft s counterterrorism actions eroded checks on executive power arguing that the attorney general used both the formal and informal powers of his office to expand executive and law enforcement authority and did so at the additional expense of criminal procedural rights privacy rights and government transparency baker tells how the war against terrorism the unique legal policy role of the attorney general and ashcroft s presence in that office dramatically expanded the power and impact of executive power in domestic affairs she identifies ashcroft s rhetorical tactics that set his actions at odds with the public interest such as browbeating critics and marginalizing dissent and challenges the success claimed by ashcroft and his supporters in safeguarding america by documenting the justice department s lack of effectiveness in key prosecutions she also includes an enlightening analysis of the patriot act and its implications for both civil liberties and government power by documenting the ongoing

importance of ashcroft s legacy a legacy now continued by alberto gonzalez baker shows how he dramatically changed the office and disrupted our constitutional system of divided and checked powers her close scrutiny of ashcroft s actions vividly highlights the role that an attorney general can play in shaping presidential power during national crises and provides a cautionary tale for anyone eager to protect our civil liberties

covers the period from 1790 to 1905 in the times of london

a bum hip has bed and breakfast hostess judith mcmonigle flynn limping off to good cheer hospital a questionable haven of healing where two recent patients didn t make the cut after routine surgery judith s trepidation at undergoing the knife is eased only by sharing a room with cousin renie who s in for rotator cuff repair though the cousins survive their surgeries the ex pro quarterback next door is permanently sacked after minor knee surgery with the scoreboard showing grim reaper 3 post op patients 0 judith decides that she and renie are obliged to get to the bottom of good cheer s carnage but in order to sew up the case judith and renie must probe into the suspects psyches and suddenly it looks as if the cousins own prognoses could take them out of the game for good
